A. ROBLES, DEPUTY

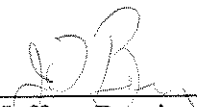

ADMINISTRATIVE ORDER
NO. 2023-06 (rescinding
AO No. 2011-07)

After consultation with the Superior Court Bench and Court Administration, The Court recognizes there is no longer a need for permanent assignment of first-degree murder cases. Accordingly, first degree murder cases will no longer be assigned to the Presiding Judge when returned by the Grand Jury. Further, the Presiding Judge will no longer permanently reassign first degree murder cases to a judge. Effective immediately, first degree murder cases will return to random assignment to a judge on the Criminal Bench.

To accomplish this, Administrative Order 2011-07 (which superseded Administrative Order No. 2003-26) must be rescinded.

IT IS THEREFORE ORDERED RESCINDING Administrative Order 2011-07 (which superseded Administrative Order No. 2003-26) effective this date.

DATED this 20th day of April 2023.
